2022/23

## Initiative Exercise 1

**Imagine you are a teacher and have a lesson on initiative. How would you explain the below quote to your students?**

**"There are three types of people in this world: those who make things happen, those who watch things happen, and those who wonder what happened."**

A large rectangular area with a purple border, containing a circular illustration of a male teacher in a brown suit and tie, standing at a grey podium with a microphone. The background of the circle is light grey. The entire area is overlaid with horizontal purple lines for writing.
