## INITIATIVE

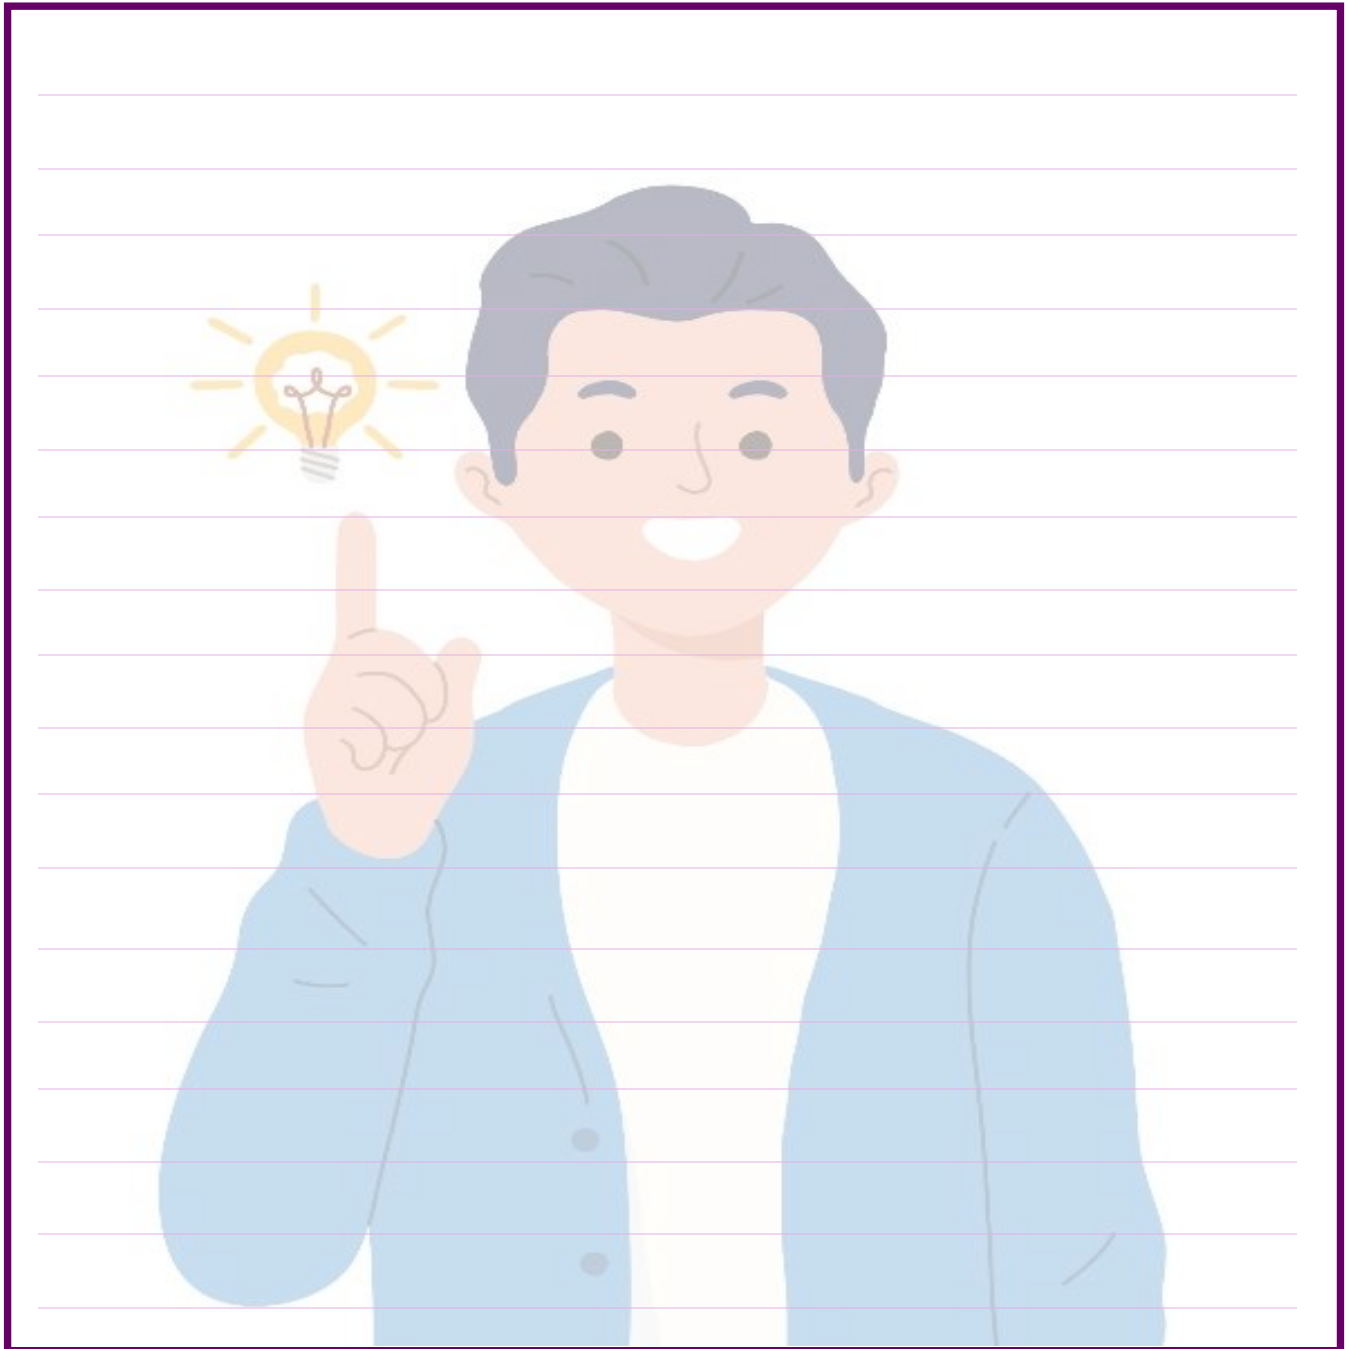

**Grade 6-8**

2022/23

**Imagine you are a teacher and have a lesson on initiative. How would you explain the below quote to your students?**

***"Stop wishing. Start doing!"***

**You are outside playing at recess. The new student in your class is sitting alone.**

**What initiative can you take?**

A large rectangular area with a purple border containing a faint illustration of a girl with dark hair in a bun, wearing a red and white striped shirt and a red backpack, sitting on the ground. The background of this area is filled with horizontal purple lines for writing.

## Initiative Exercise 3

**In Japan, for just 15 minutes at the end of the day, students use brooms, vacuums, and cloths to clean the classrooms, bathrooms, and other school spaces.**

**Can this happen at your school? Do you think this will help develop initiative?**
