FLEXIBILITY

Grade 3-5

2022/23

You will be learning a new sport you have never played before in PE next week.

How do you prepare?

A collection of sports equipment including a football, basketball, soccer ball, baseball, golf ball, hockey puck, tennis racket, and tennis ball, arranged on a lined writing area.

Your teacher asks you to work with a new classmate you do not know very well.

What do you do to work together?

A large rectangular area with horizontal lines for writing. In the center, there is a colorful illustration of two children, a girl and a boy, standing in front of a stack of books. The girl is on the left, wearing a blue jacket and a yellow backpack. The boy is on the right, wearing a white shirt and a red backpack. The background includes a stack of books, a yellow alarm clock, and some papers. The entire scene is set within a purple-bordered box.

When you need to learn something new, how do you feel and what do you do to succeed?

An illustration of three children standing on a light blue circular shadow. The child on the left is a girl with long brown hair, wearing a yellow sweater and pink pants, with her hands raised in a shrug. The child in the middle is a boy with red hair, wearing a blue jacket over a striped shirt and green pants, looking slightly to the side. The child on the right is a girl with brown hair and glasses, wearing a pink jacket over a yellow shirt and grey pants, with one hand on her hip. Several colorful question marks (green, red, yellow, blue) are floating around each child, indicating confusion or uncertainty. The entire scene is set within a purple-bordered frame with horizontal lines above and below the characters.
