Discovering You Program

DYP 21st Century Skills LEARNING & DEVELOPMENT VIDEO SERIES

Part 7 – Technology Literacy

Grades 3-5

Technology Literacy

محو الأمية التكنولوجية

ANSWER THE FOLLOWING QUESTION:

If you could design and create anything that could help the world using only a **3D printer**, what would it be and why?

Use your imagination and write at least 150 words and show us your design!

If you could design and create anything that could help the world using only a **3D printer**, what would it be and why?

Use your imagination and write at least 150 words and show us your design!
