INFORMATION LITERACY

Grade 6-8

2022/23

How do you go about finding good information for an assignment?

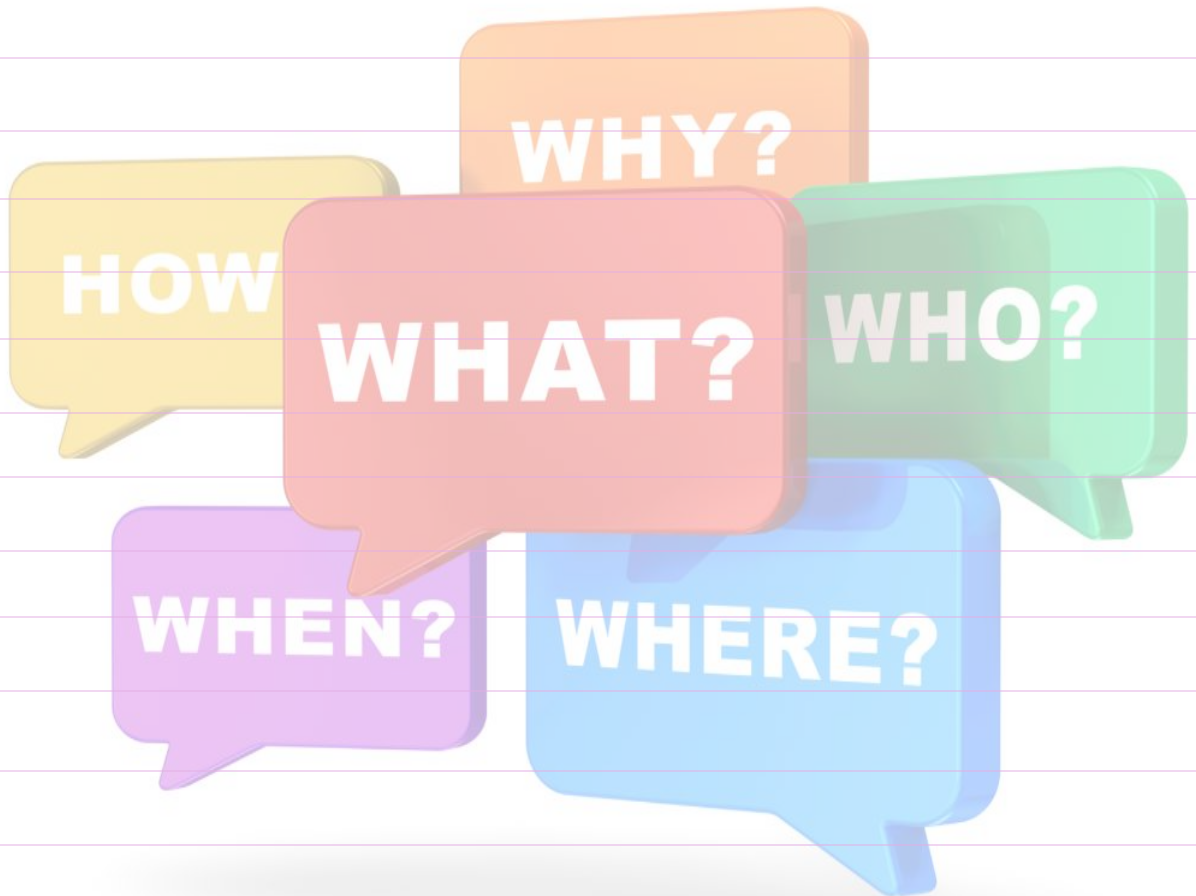

Explain your process.

A cartoon illustration of a young man with brown hair, wearing a yellow zip-up jacket and brown pants, sitting on a green office chair at a wooden desk. He is holding a pen and writing on a notepad. The background is a light purple grid pattern. The entire illustration is enclosed in a purple rectangular border.

Your friends at school start saying something that doesn't sound true to you.

What questions can you ask to get to the truth? What else can you do to see what they are saying is true or false?

Is it becoming easier or harder to figure out what is true or fake on social media today?

Explain.
