

**DYP 21<sup>st</sup> Century Skills**

**COLLABORATION**

**Grades 6-8**

2022/23

**Working together with friends or family, come up with 5 ideas that will make school more fun and enjoyable.**

**Work together with your classmates and organise a trip to a country you have never visited before. Make sure to include your teacher.**

**Explain your plan.**

The illustration features a stylized globe in the background with a yellow airplane flying across it. In the foreground, there are four suitcases: a large green one with red straps and three small flags (USA, France, UK), a yellow one with a white tag and three flags (France, USA, UK), a large orange one with white horizontal stripes, and a small teal one with a yellow tag. The entire scene is set within a purple-bordered box with horizontal lines for writing.

After completing the “**How Are My Collaboration Skills?**” Self-Test below, explain why you think collaboration is an important skill to learn and develop.
