**If you could jump into your favourite movie and change the outcome, which one would you choose and why?**

A large, colorful illustration of a camera lens surrounded by various digital devices like smartphones, tablets, and laptops, with abstract geometric shapes and lines in the background. The illustration is centered on a page with horizontal purple lines for writing.

**If you were asked to design a new train line in Oman, what would it look like and how would it serve its citizens and residents?**

A large rectangular area with a purple border containing a grid of horizontal lines for writing. In the center of this area is a semi-transparent image of a modern, white high-speed train moving from left to right, with motion blur on the tracks and background.

**You have been elected to start your own country!**

**Tell us about it.**

A world map is centered on the Atlantic Ocean, showing the continents of North America, South America, Europe, Africa, Asia, and Australia. The map is overlaid on a grid of horizontal lines for writing. The lines are spaced evenly and extend across the width of the page.
