FLEXIBILITY

Grade 3-5

Mentee: _____

Grade: _____

Date: _____

**FLEXIBILITY
ACTIVITY 1**

Tri-Angles!

Take a good look at the picture below.
Then answer the question to the best of your ability!

How many triangles are in this picture? How did you arrive at your answer?

Mentee: _____

Grade: _____

Date: _____

**FLEXIBILITY
ACTIVITY 2**

The Broken Bridge:

Imagine you are on a school trip, and you come across a broken bridge. You need to cross the bridge to continue on your journey. How can you adapt and find creative ways to cross the gap safely?

Write down your plan of how and your school mates will cross this bridge.

Mentee: _____

Grade: _____

Date: _____

**FLEXIBILITY
ACTIVITY 3**

The Lost Library Book:

You borrow a library book and put it in your bag. The next day, you can't find the book anywhere. Instead of feeling upset and giving up, how can you use flexible thinking to retrace your steps and come up with creative solutions to locate the book?

Write down your plan to find your lost book.
