**FLEXIBILITY  
ACTIVITY 3**

**The river crossing problem:**

Your turn to help someone with a real dilemma. Think outside the box and be flexible enough to imagine different scenarios!

- A man has to get a fox, a chicken, and a sack of corn across a river.
- If the fox and the chicken are left together, the fox will eat the chicken.
- If the chicken and the corn are left together, the chicken will eat the corn.

**How does the man do it?**
