**SOCIAL SKILLS  
ACTIVITY 1**

**THE EMOTIONAL WHEEL:**

Look at the Emotional Wheel below. Did you have any idea just how many different emotions humans have? Continue by completing the two questions below.

Of the emotions you see in the wheel, how many of them have you experienced? Does this wheel highlight why having empathy for others is important? Explain with a critical and creative mind!

## CULTURE IS LIKE AN ICEBERG:

### SOCIAL SKILLS ACTIVITY 2

What we often see above an iceberg is a fraction of its real size. Culture is much the same. What we tend to know about “culture” is usually general. Try the exercise below to get a better idea of just how big - and deep - culture can be!

# CULTURE IS LIKE AN ICEBERG

**Place the following points correctly, either above or below the water. Above is what you generally see in life. Below is often hidden or not given as much attention.**

- Worldview**
- Language**
- Concepts of justice**
- Food**
- Spiritual Beliefs**
- Decision-making models**
- Status**
- Greetings**
- Music**
- Rituals**
