

# Collaboration

Grade 11

Mentee: .....

Grade: ..... Date: .....

### COLLABORATION ACIVITY:

You and a group of classmates are tasked with designing a new community space in your neighbourhood. Discuss how you would work together to come up with ideas, divide responsibilities, and ensure everyone’s opinion is heard. Write a plan outlining your approach to collaboration, including how you would handle disagreements and make final decisions. Your response should be at least 200 words.
