Grade: Date:

COLLABORATION ACTIVITY:

Your class has been asked to create a school event to raise awareness for an important cause. Work with a partner to brainstorm ideas for the event. Decide who will take on which tasks and develop a plan to make the event successful. Write a detailed description of your collaboration process, including how you would ensure that both partners contribute equally and how you would solve any challenges that come up. Write at least 200 words.
