### INFORMATION LITERACY ACIVITY:

We learn new things everywhere - at school, at home, by watching movies or clips, and even when we travel. Now, it is time to have some fun! Here are some questions for you to answer. If you are unsure of an answer, challenge yourself to find it in a book or online.

1. Which planet do we live on?
2. What's the biggest animal in the world?
3. Which superhero has a shield with a star?
4. What season comes between spring and autumn?
5. What colour do you get when you mix blue and yellow?
6. What animal carries its house on its back?
7. Which planet is known as the "Red Planet"?
8. What musical instrument has black and white keys that you can play with your fingers?
9. What are baby dogs called?
10. What animal has black and white stripes?
11. Which insect can transform from a caterpillar into a beautiful flying creature?
12. What three colours appear on a traffic light?
13. Which mountain is the tallest in the world?
14. Which country is known for its Eiffel Tower?
15. What does a thermometer measure?
