MEDIA LITERACY ACIVITY:

Create a news report about an event being planned at school. It does not have to be a real event. Choose any one of the following to complete.

TV News Broadcast: Write a short script and record a news report using a device you have to tell people about the event.

Newspaper Article: Write a headline/caption and short article and also create a visual to promote the upcoming event.

Radio Broadcast: Write and record a short audio report to promote the event with a device you have.

Social Media Post: Create a mock social media post on Canva, including text (the wording), hashtags, and an image.
