FLEXIBILITY ACTIVITY:

This is a debate with a twist! Below is a list of topics to consider. Choose the topic you feel most strongly about. First, write a 100-word paragraph agreeing with the statement, explaining why you support it. Then, write a 100-word paragraph from the opposing view, giving reasons why you disagree. This exercise will help you see both sides of an issue and practice flexibility in thinking.

Social media platforms should set age restrictions more strictly.

It is more beneficial to learn practical skills in school than theoretical knowledge.

Does technology make us more connected or more isolated?

Homework improves learning.

Schools should implement a four-day school week.
