LEADERSHIP ACTIVITY:

Leaders solve problems by staying calm and thinking of smart ideas. Here is your task for today:

1. Imagine this problem:

You are the Class Leader, and it is Book Week. You do not have enough decorations to make your classroom look great.

2. Think like a leader:

What could you do to fix this problem?

3. On your worksheet:

Write two ideas to solve the problem.

Explain how each idea will help your class work together and fix the problem.

This task will help you practise being a leader by finding good solutions!
