LEADERSHIP ACTIVITY:

Leaders make important decisions by thinking carefully about their options. Today, you will practise decision-making by weighing the pros and cons. Here is your task:

1. Your class must choose a #wecare project for semester 2:
 - Option 1: Organise a charity bake sale.
 - Option 2: Plan a recycling campaign.
2. On your worksheet:
 - Write the pros and cons of each option. Think about things like time, effort, and the impact on others.
 - Decide which option you think is better for the class.
 - Explain why you made that choice.
