## LEADERSHIP ACTIVITY:

Great leaders **reflect on their experiences** to grow and improve. Today, you'll think about a time when you took the lead and what you learned from it. Here is your task:

1. Think about a time **when you took the lead**. This could be:
  - Leading a group project at school.
  - Organising an event at home or in your community.
  - Helping others solve a problem.
2. On a worksheet:
  - Describe the situation: What was happening?
  - Explain your actions: What did you do to lead?
  - What did you learn: How did the experience help you grow as a leader?
3. Reflect on how you can continue growing as a leader. What skills or qualities do you want to improve?

This task will help you see how past experiences shape your leadership and how to keep developing as a strong leader. Let's reflect and grow!
