INITIATIVE ACTIVITY:

Grade 12 is just around the corner! Take initiative and plan your **Grade 12 jackets** in advance. **Create a design** that reflects your class identity and style. List **what should be included** in the jacket (e.g., logo, motto, class names). Describe why each element or feature is important and how it represents your class. **Specify the jacket style** (e.g., hoodie, bomber jacket) and the **colours** you think will look best. Include drawings, sketches, or pictures to clearly illustrate your design. Be creative, practical, and collaborative in your design. Your work will serve as inspiration for your final year!
