## SOCIAL SKILLS ACTIVITY:

Find someone in your class or school whom you do not often talk to or have never spoken to before.

1. Greet them with a friendly hello 😊
2. Share something about yourself that they do not know yet 🗣️
3. Ask them to share something about themselves 🎤

✍️ Write about your experience:

- Did you enjoy doing it? Why or why not?
- Did you find it easy or hard to talk to someone new?

💡 Remember: If you have done it once, you can do it again! This is how new friendships begin.

Hello 😊
