

GADRIA

SUPERTWIN For your wilder side.

FOR YOUR WILDER SIDE

DARE TO DREAM BIGGER, LIVE BOLDER
AND EMBRACE THE JOURNEY AHEAD.
A RUGGED CAMPERVAN FOR MORE
CHALLENGING TERRAIN, SHIFTING WEATHER
AND FOR WHEN THE TARMAC ENDS.

The first Adria campervan on Mercedes-Benz offering All-Wheel-Drive (AWD) with 4x4 capability, for extraordinary places and people. Designed and built tough for explorers, adventure seekers and adrenaline junkies, because difficult roads always lead to the most beautiful destinations.
Your wilder side finds its perfect match.

SUPERTWIN

ROUGH TERRAIN DESERVES
ASSURED PERFORMANCE AND
SMOOTH ACCOMMODATION. ADRIA
AND MERCEDES-BENZ PERFECT
PARTNERS FOR UNCOMPROMISED
PERFORMANCE AND COMFORT
WHEREVER YOU MAY ROAM.

DESIGN

DRIVEN BY DESIGN.

All-new purposeful design, with a sophisticated and luxurious interior, built for easy comfort and practicality, wherever you park up.

4x4 PERFORMANCE

POWERED BY MERCEDES-BENZ.

State of the art precision engineered, with All Wheel Drive and 4x4 capability, enhanced safety features and assured control.

SUPERTWIN

EXPERIENCE NO COMPROMISES.

An outstanding driving and living experience,
built to master changing conditions, in all seasons,
wherever you chose to explore.

INDIVIDUAL PERSONAL TO YOU.

Match your wilder side with a selection of colours, wheels and rims, optional equipment, accessories, textiles and soft-furnishings.

SUPERTWIN available in two lengths and layouts: **600 SPB** and **700 SGX**, offering outstanding levels of comfort and independence. **PTR** models offer extra versatility, with the integrated pop-top roof accommodation.

600 SPB/PTR

700 SGX/PTR

L 6,96 m

DESIGNED TO PERFORM

DRIVEN BY A VISION OF
UNCOMPROMISED PERFORMANCE
WITH YOUR SAFETY, COMFORT AND
ENJOYMENT IN MIND. HOWEVER
REMOTE YOU ARE, ALWAYS FEEL
ASSURED AND IN CONTROL.

DESIGNED TO PERFORM

ADRIA

Built on the **Mercedes-Benz Sprinter**, with state-of-the-art engineering and technology, for performance, durability and safety. Mercedes-Benz 2.0L diesel engine delivering (140 kw) 190hp, coupled with a G-TRONIC 9-Speed automatic gearbox.

Premium comfort Mercedes-Benz cockpit, featuring **MBUX** and an array of enhanced driving and safety aids for easier and more rewarding driving. With highly advanced features like Active Brake Assist, rear-view camera display, multimedia touch screen control, and more, you will be driving with ease, even when the going gets tough.

Mercedes-Benz

Mercedes-Benz

SUPERTWIN 4x4 (AWD)

The Sprinter AWD system gives enhanced steering feel, better manoeuvrability and safety add-ons, with off-road capabilities, to conquer rugged terrains or uneven surfaces with ease.

Power is distributed via the drivetrain to both axles and all four wheels with automatic torque on demand, split up to 50 % per axle. Excellent traction and stability on different surfaces, poor weather and slippery roads.

Enjoy better grip on tarmac due to the heavier drivetrain weight and use low-range gears to get out of difficult terrain, such as snow, mud, or on a steep incline.

SUPERTWIN is available in two exterior lengths 5.93 m (600 models) and 6.96 m (700 models); and in a choice of exterior body colours:

Tenorite Grey Metallic; Black Obsidian Metallic; Graphite Grey Solid; Black Grey Solid; Stone Grey Solid; all featuring integrated graphics and featuring full **LED exterior lights**.

All models feature the integrated open-able **panoramic window and roof window** for natural light in the living spaces. Framed side windows; sliding living room door with electrical step with load capacity 240 kg, tested in extreme temperature conditions. Optional driver and co-driver electrical side-steps.

POP-TOP (PTR) MODELS add extra accommodation with gross sleeping compartment 200 x 120 cm, easily accessible with internal ladder. Pop-top matches the exterior and is perfectly integrated with the roof, and locking mechanism when not in use.

Ground clearance is raised for driving assurance, with standard plastic underbody protection to help protect vital drivetrain components when the going gets tough.

Alde
Diesel

SUPERTWIN is the first campervan to offer **Alde Diesel 4000D** as standard, with 9 kw total power; 10 l hot water tank, and quiet operation, for constant heating and hot water. Advanced level **Insulation** for all year-round comfort.

Heated and insulated water and waste-water tanks.
Freshwater tank capacity 100 l; Grey water capacity 90 l.

External gas and water connections for easy hook-ups when needed. **Control Panel** with simple to use digital controls.

SUPERTWIN

DESIGNED FOR LIVING

ONCE IN A LIFETIME EXPERIENCES
EVERYDAY. HOWEVER REMOTE
YOU ARE, NEVER FEEL OUTSIDE
OF YOUR COMFORT ZONE.

Living Room.

Signature cabin-loft open plan living with panoramic sunroof and flowing interconnected living zones. Designed for comfort and built for endurance, using top-grade construction and materials.

Openable panoramic window skylight makes for a light-filled and spacious living room. Features practical **dinette** on single level floor, with ergonomic, comfortable seating and a standard legless table with cupholder, for even greater comfort and freedom of movement.

Kitchen.

Our ergonomic kitchen design provides stylish functionality, when out in the wilderness. Monoblock design with side worktop extension and storage, with three large, soft-closing drawers with electrical locking system and non-slip surfaces. Two-burner cooktop and sink. Compressor fridge (84 l) as standard (138 l as option available in 700 models).

Bedroom.

Delivers on space and comfort, with slatted beds and premium mattresses.

600 models, a cross-bed features two foldable sections with side extensions, sleeping dimensions of 196 x 140/125 cm.

700 models, an electrical lift-bed raises into the ceiling space and with extension functionality offers sleeping dimensions of 200/195 x 170 cm.

Pop-Top (PTR) models. Adria exclusive pop-top design brings extra accommodation for two persons, dimensions 200 x 120 cm, in washable and recyclable tent construction; with storage, reading light and USB ports.

DESIGNED FOR LIVING

ADRIA

Bathroom.

Generous space and standing height, with window for ventilation. Features top-mounted sink, and swivel-wall design for separate shower cubicle. Thetford bench w.c..

Illumination.

Smart lighting system for interior ambiance control, with spot lighting in the living zones, accented by LED ceiling, cabinet and floor light strips.

Storage.

Great storage, essential for those long journeys. Overhead cupboards, kitchen, bedroom and bathroom storage. Garage for your gear with built-in cabinets and special flooring, perfect for outdoor gear.

Sound System (option).

Quality system with amplifier, 4 speakers, woofers and DSP technology. Connect to MBUX directly or Bluetooth® for great digital sound and controllable by zone.
