Hand-in-hand: comfort and effective therapy

The forehead support's spring action automatically ensures that the proper distance is maintained for patient comfort and effective therapy. The single layer mask cushion is just as cleverly designed. It finds the ideal position on its own, regardless of the size and shape of the patient's nose and face.

Design is in the details

Your patients will love JOYCEone! This mask features more than a perfect fit and wearing comfort. The unmistakable color-coding of headgear and clips and the convenient recessed grip help your patient to assemble JOYCEone quickly and correctly right from the start.

Modern Efficiency

Short and sweet: the intelligent JOYCEone helps you to save time without compromising on patient care.

JOYCEone – made for you!
