Read and answer questions

The Amman Summer Festival is in July. It's great! There are a lot of things for children to do at the festival. There are colourful puppet shows. Children can also draw, paint, listen to stories and sing. They can make models from balloons, too! The first Amman Summer Festival was in 2006. Lots of people come to the festival with their families every year. In my opinion, it's the best festival for children.
