

**BIGGER THAN US** is a 96-minutes documentary shot in seven countries, covering the most pressing issues of our times and the actions of seven amazing young change-makers to save lives and dignity in their respective community. It is an ode to our world and to our Youth, its wisdom and courage. Its very desire to live big.

The film premiered in July 2021 at **Cannes International Film Festival** and is or will be released in 56 countries. Something is happening, beyond the screen: the film is used by people from all venues (teachers, school directors, employees, humanitarians) everywhere to gather and to start a much needed conversation: and now, what can we do? **BIGGER THAN US** is more than an film. It is an adventure to share and a tool to reconnect.
