## **Eat & Drink**

Our skilled chefs are committed to sourcing local and seasonal ingredients creating menus to delight and surprise.

Whether you are looking for a three course fine dining experience, sharing boards or late night bites, we have an array of carefully crafted options to suit every taste.

If you'd prefer, our team can work with you to create a tailored and bespoke menu.

All dietary requirements can be catered for with no request too big or small.

We have several drinks packages to compliment your dining choices, and will also provide a fully stocked bar.

If you have a favourite tippie, just let us know!

## **It's all in the detail**

Our spaces are equipped for your celebration with atmospheric lighting and a high spec PA system available for those all important speeches; why not take advantage of our excellent acoustics and include a little live music in your day too?

Ask us about our friends, we can introduce you to some of the North East's finest photographers, entertainment and florists to put those finishing touches on your wedding day, hassle free.

## **Our heritage**

### **Our project is supported by the National Lottery Heritage Fund**

Our building was home to the engineers and industrialists that made the North East the powerhouse of the industrial revolution- through coal mining. Find out more about our heritage on our website, or ask us about how we can integrate some of our stories of the "black diamond" into your special day.
