## Maths

### Y1 Maths Everywhere – Meal Times

Provide children with knives, forks and plates.  
Ask questions such as:

- Have we got enough knives for every person?
- Are there more plates than bowls?
- Have we got enough grapes for everyone to have ten?
- How many more do we need?

Ask children to help you serve food (which isn't hot).  
Cut the cake into ...equal pieces.  
How did you know that everyone has the same amount?

If I cut these two apples into quarters, how many pieces will I have?

**Herts for Learning** **#ESSENTIALmaths**
