CHAT – Under our feet

It's the final half term of Year 3 which means we are starting our new topic 'Under our feet' This topic is all about geography skills, our local geography and the stuff under our feet...rocks and soils!

How much do you know about your home? Your town? Have you ever lived anywhere different? What is similar? What is different?

Ask older family members about their different home locations.

I would love to hear any interesting facts. Send them to me in an email using Purple Mash.

PLAY

Offline activities

How many UK cities can you name in 1 minute?

Handwriting

So many of you were looking forward to starting swimming lessons at school, it isn't quite the same, but how beautifully can you copy this poem?

Send a copy of your poem to Mrs Johnson via Purple Mash email.

We have created a Handwriting Hero blog on Purple Mash where we will announce the hero from each class on Friday and showcase the winners with you all.

Swimming in the summer, that's what I do

With my friends having fun in the pool too

I swim, I dive, I laugh, I play!

Maybe we will use flippers today

Many different strokes to learn

In my lane, I learn to dive and turn

Never a dull moment in class

Going to the pool everyday is a blast!

Rounders

Practice your under-arm ball throwing.

Close your eyes, imagine you are on the school field, your team are fielding and you are bowling. Can someone in your family catch or hit the

ball your throw? How far do you think the batter would be able to run?

Online activities

Our RE unit this half term is looking at creation stories and how different faiths connect to their God. We will be looking at questions that have no definitive answer. Watch this clip on a version of the Christian creation story.

<https://www.bbc.co.uk/bitesize/clips/ztmpvcw>

Create a poster encouraging people to look after the wonderful world we live in. Send a picture to Mrs Johnson via email on Purple Mash.

Read

Read the next chapter of our book 'Time Freeze' and complete the activity in your **Purple Mash 2Dos**.

Spellings

How have you been getting on with your spellings? Try **rainbow** writing to help you memorise the spellings. If you can, tell us how many you can spell correctly.

centre	position	potatoes	separate
calendar	library	mention	popular
difficult	material	opposite	special
famous	perhaps	forwards	learn
imagine	increase	interest	island
