Week beginning 15.06.20

CHAT – Our Jigsaw topic this half term is Changing Me and our value for June is Kindness

Piece 1 – How Babies Grow

How do you feel when you see a baby or a baby animal? What does it make you think of? How might it feel to have a new baby brother or sister?

What is the role of a parent to a baby, whether it be human or animal? Often we think of young babies (both animal and human) being birthed and cared for mostly by a mother. Is this always the case?

How have you changed since you were a baby? Create a timeline of how you have changed using photographs. Label them to show how old you were and how you changed.

You may recognise the animals below, but do you know what they are called when they are babies?

National Writing Day – Wednesday 24th June

Wednesday is National Writing Day and we would like you to take part in the **#247 writing challenge**. Your task is to write a **story or a poem** that begins with **One day**, using just **24 words** and to only give yourself **7 minutes to write** it! Have a think and jot down some ideas before you begin.

#247CHALLENGE PARENTS' GUIDE

WHAT IS THE #247CHALLENGE?

We want to get EVERYONE writing creatively for National Writing Day 24th June 2020 so we've created the #247challenge – a quick, fun and easy challenge to get your creative juices flowing!

The challenge has three simple rules:

1. Write a story or poem in **24 words**.
2. Start with the words **'One day'**.
3. You only have **7 minutes** to write!

HOW TO RUN THE ACTIVITY AT HOME

- Write alongside your child! This will help motivate them, plus we want to read your writing too.
- Carve out some time in the day to do the challenge. You'll need 7 minutes to write but you'll also need some time to explain the task, to watch some videos for inspiration (like watching [Mark Haddon](#) or Frank Cottrell-Boyce explaining the activity) or talk through some ideas.
- All you need is a paper and pen.
- If you'd like to print off a #247Challenge activity sheet (which explains the task) you can find that [here](#).
- Set a timer for 7 minutes (but if you think this step is too tricky for your child, do omit it - we just want everyone to have fun!)

WANT SOME TIPS?

Check out these videos by some great writers:

	Mark Haddon author of <i>The Curious Incident of the Dog in the Night-Time</i>
	Frank Cottrell-Boyce author of <i>Milvona</i> and <i>The Unforgotten Coat</i>
	Rural Lincolnshire based writer Sonya Hundal
	Russ Litten who has written novels, poems, short stories and electronica albums

SHARE! SHARE! SHARE!

We would love for you to share your work on National Writing Day using the hashtag **#247challenge** and **#NationalWritingDay**.

We want as many 24/7 stories or poems out in the world as possible, because we believe that writing is fun, it makes you feel good, and it's important for everyone to have a chance to express themselves.

Email your writing to Mrs Herron and be in with a chance of it being posted on the Year 3 Purple Mash Blog!

Sports Day!

Lock down has meant that we have not been able to have our usual sports day fun at school this year, but fear not, as we have a **Virtual Sports Week** this week. Below you will see an activity to complete each day and a space to write in your score. At the end of the week, send your sheet in to Mrs Herron via Purple Mash email and a reward will be emailed back to you!
