

HOME LEARNING SCHEDULE YEAR 6 WB280920

DAY	READING	PE	LBQ	MATHS	ENGLISH	OTHER
Mon 280920	Read for 30 minutes	Carry out PE activity from 14 day diary	Learning By Questions Spellings tasks	Addition lesson 7: strategies for addition https://classroom.thenational.academy/units/integers-decimals-fc14	BBCBitesize Using inference to explore characters. Complete learning then do activity 1 https://www.bbc.co.uk/bitesize/articles/z3sbsk7	This week, as part of your learning about 'Light' in Science, we would like you to make a periscope. Take a look at the video on BBC Bitesize https://www.bbc.co.uk/bitesize/clips/zyntsbk 'Light travels in straight lines' then make your own periscope and test it. Use the template attached to help you and feel free to decorate your periscope with any design you like.
Tues 290920	Read for 30 minutes	Carry out PE activity from 14 day diary	Learning By Questions Maths addition and subtraction tasks	Subtraction lesson 8: strategies for subtraction https://classroom.thenational.academy/units/integers-decimals-fc14	BBCBitesize Using inference to explore characters. Complete activities 2 and 3 https://www.bbc.co.uk/bitesize/articles/z3sbsk7	
Weds 300920	Read for 30 minutes	Carry out PE activity from 14 day diary	Learning By Questions Spellings – sion/-cian/-tion	Multiplication lesson 12: By 2digits, long multiplication https://classroom.thenational.academy/units/multiplication-and-division-69f6	Look in your reading book and think about the main character. Draw an outline of a person and add the character description inside the person. Use evidence from the text to describe the character's physical features. Around the outside of the person, write details about the character you can infer from the text. You must use evidence from the text to form your ideas.	
Thurs 011020	Read for 30 minutes	Carry out PE activity from 14 day diary	Learning By Questions Maths multiplication and division	Division lesson 15: Formal written for short division https://classroom.thenational.academy/units/multiplication-and-division-69f6	BBCBitesize Writing instructions https://www.bbc.co.uk/bitesize/articles/zbxgn9q	

Fri 021020	Read for 30 minutes	Carry out PE activity from 14 day diary	Learning By Questions Reading comprehen sion: retrieval	Lesson 10: addition and subtraction problems https://classroom.thenational.academy/units/integers-decimals-fc14	Use yesterday's learning to write up a set of instructions for how to make a periscope. Think carefully about each step you took and what equipment you needed. Remember to include key features of instructional texts, including: -clear, concise steps -chronological order -imperative verbs -adverbials of time -advice or safety measures to follow Extend yourself by including labelled diagrams to help the reader.
