Are you:

- a parent/carer or a family member of someone diagnosed with Autism or related condition or awaiting an assessment?
- an adult on the Autistic Spectrum, have a related condition or exploring an assessment?
- an Educator or another professional who works with people diagnosed with Autism or related conditions?

You may be all of the above or none of the above but you feel passionate about connecting more with the wonders of our world and gaining more insight into ways to embrace the difference.

There's no fixed agenda so we will just flow with you and whatever comes our way. We will review some discussions from the last year and make sure the tribe has what we need. Come find your tribe here with us.

**Come let's talk.**
