

Kindness is for everyone, even those who have been unkind themselves.

Home learning task

Your next home learning task focused on Kindness, is to create a rap, rhyme, motto or short poem to help pupils remember how we can resolve conflict in a kind way.

During our Jigsaw lessons, we have learnt that in order to resolve an issue, it is important to:

- listen to both sides
- share our feelings
- consider our options
- agree on how to move forward
- Stick to our agreement

Remember the adults in school can always help you with this.

An example of a kindness motto:

F is for Forgiveness

R is for resolution

I is for I have a part to play

E is for everyone deserves kindness

N is for No Outsiders

D is for decide together how to move forward

... but the more memorable and creative the better!

Please return your kindness creation to your class teacher by

Wednesday 28th June.

One will be chosen from each Key Stage as our new motto and there will be rewards for their authors!
