Dear Parents and Carers

It is a very important week next week for the Year 6 children, as they undertake their SATS assessments in Reading, Writing, and Maths. I have to say that I have been incredibly impressed with their excellent attitude to learning this year – they have been a credit to the school. I am sure that they will all do very well next week and show the good progress they have made whilst they have been at Fairlands. We wish them all the best!

Robert Staples
Headteacher

THANK YOU

Thanks this week goes to **Mr Alan Horner and Mr David Gray**, who have both recently submitted a bid to get the boiler in the Lower Building replaced.

I have just been notified this morning that the bid was successful and the works, costing around £54,000, will be fully funded by Herts County Council! This is excellent news – I am sure the children will really appreciate this when the cold weather rolls around again; and the parents will appreciate the school not closing due to boiler failure!

I also have to take this opportunity to thank Mr Gray and Mr Horner for currently shouldering a large part of the work for managing the building project. As you know, my keen focus has been on raising standards of attainment across the school and I cannot let anything distract me from that. It has been so helpful to be able to pass much of the day to day detail of the building works to both Alan and David. Their support is much appreciated!

YEAR 4 TENNIS FESTIVAL

Very well done to the 8 Year 4 children who took part in a Primary School Tennis Festival at Odyssey Health & Fitness Club at Knebworth on Wednesday and were **Festival Winners!** They now go on to take part in the Championship Finals in June.

FAIRLANDS' FACES

I am delighted to inform you that a new team of parents have now taken over from the Friends of Fairlands. They have called themselves **Fairlands' Faces** and their first fundraising activity will be the Fathers Day Present Room. A letter with details will follow.

PACKED LUNCHES FOR SCHOOL TRIPS

Please be aware, if your child is entitled to free school meals and you want to request a school packed lunch to be provided for any of the school trips coming up, you **must** return the slip from the bottom of the relevant letter to order your packed lunch asap. (School packed lunch for all trips will be cheese baguette).

FAIRLANDS FATHERS

The next meeting of Fairlands Fathers will take place on **Monday 14th May** from **7.30 – 9.30pm in the Lower Building Staff Room**. Why not pop in and join us for a coffee and a chat? It would be great to see a few more dads at our meetings. We chat about a whole range of 'dads' subjects and there is no agenda. Don't worry if you can't be there at 7.30 or can't stay the whole time – it would just be good to see you.

WALK TO SCHOOL WEEK

Monday, 21st to Friday 25th May is Walk to School Week. We will be encouraging as many children as possible to walk to school or 'Park and Stride'.

WELL DONE

Well done to Tom and Sammy Hawkins and Matthew Gray, who were called onto the pitch at Stevenage's last home match where they were each presented with a medal for attending every home match this season.

HELP US WITH HEADLICE

Headlice in school is an on-going problem, but if everyone takes note of the preventative measures, then the problem should be dramatically reduced. The local Health Authority recommends the following preventative method and suggests that parents should take the responsibility of checking their child's and their own hair regularly.

The wet-combing method is the recommended preventative method and head lice may be cleared over a two-week period:

- Wash the hair in the normal way with an ordinary shampoo.
- Using lots of hair conditioner and while the hair is very wet, comb through the hair from the roots with a fine tooth comb. Make sure the teeth of the comb slot into the hair at the roots with every stroke, and do this over a pale surface, such as a paper towel or the bath.
- Clear the comb of lice between each stroke.
- Wet lice find it difficult to escape, and hair, which is slippery from conditioner, makes it hard for them to keep a grip – so removal with the comb is easier.
- If you find any lice, then repeat this routine every 3-4 days for 2 weeks, so that any lice emerging from the eggs are removed before they can spread.

Please be aware, if we notice your child is clearly uncomfortable due to headlice, we will contact you and ask you to come and collect him/her to treat the condition. We would not expect a child to be absent for a whole day for the treatment of headlice when the above method is used.
