6<sup>th</sup> March 2008

**Dear Parents / Carers,**

On **Wednesday, 19<sup>th</sup> March**, we are holding a **Sponsored Easter Egg & Spoon Obstacle Race** organised by the School Council. All the children from KS1 and Foundation Stage will be able to take part. Every child that enters will receive a free Cadbury's Cream Egg.

We are hoping to raise money to build a science garden with a pond, so that we can extend the opportunities for learning outside. Obviously the extent to which we can fulfil these plans will depend upon how much money we raise and that depends on you.

With this letter you will receive a sponsor form and children have been asked to collect sponsors from family and friends.

There will be a special prize for the child who collects the most sponsors, but every child that enters will receive a free chocolate egg and a Certificate of Course Completion.

We hope that children will have a really fun time as they complete the obstacle course. Different courses are planned to suit the age of the children taking part.

We hope that you will make every effort to support this event.

Yours sincerely

**The School Council**
