

# Year 5- Spruce Class

## Welcome to Year 5!

New year, familiar face? As you probably know, I am Mr Tweeddell (Mr T). You may remember me from Year 4 😊

I will be your Year 5 teacher and am looking forward to all the exciting topics we will be studying together!

Our classroom will be the first one along the corridor. Here you can see a bird's eye view of it. At the moment it looks a little bit like the pictures below, but it will be transformed into a stunning new learning environment in time for your return in September!

# Mrs Lewis- Our Teaching Assistant

Mrs Lewis will be working with us in Spruce class.

She will be another familiar face and most of you will have worked with her previously.

She will support us with our learning and help some of you develop your knowledge and skills.

# Facts about Mr T!

- I love reading!
- I enjoy constructing and painting model soldiers and tanks.
- Drawing is one of my favourite things.
- Subjects I enjoy most are Maths and History ( But I like all subjects!).
- I have a Chocolate Labrador named Bailey.
- My favourite museum is the Bovington Tank Museum.
- I love getting out on my mountain bike.
- I enjoy video gaming, board gaming and war gaming!
- My newest hobby is 3D printing!
