Our classroom

- What it looks like now

Our classroom

- What it will look like in September

Trust me, it will look SO much better! It is our space and together we will make it our own 😊

I have a husband, a 17 year old son, a 15 year old daughter and a cockapoo puppy called Mac.

My children used to go to Fairlands and I am a school governor.

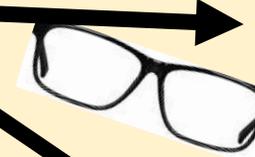

ABOUT

ALL

ME

In lockdown, I learnt how to use power tools and how to poach an egg.

I wear glasses to read and often need reminding to put them on in class please!

I am so excited about moving to Year 6 with you all.

I am organised and according to my family, this can be both a positive and a negative thing!

I became a teacher because I wanted to help inspire children and be the person I needed when I was a child. I teach at Fairlands because I passionately believe in our ethos (what we are about, our values).

I went to boarding school from the age of 11.
