Dear Parents / Carers

Cycle Training

A cycle training course has been arranged for Year 6.

The course, which will take place w/c 19th May, will include Highway Code theory and skills exercises on the playground. This will be followed by basic manoeuvres on the road outside of school for those who have reached the required standard of cycle control.

Your child must have a roadworthy bike and a cycle helmet and will have to attend each day of the course. **Cycles will be checked on the first day by a Road Safety Officer.**

As places are limited, please complete and return the slip below to the office by **Tuesday, 29th April**. If we receive more slips than there are places available, names will be entered into a draw.
