2nd October 2020

Dear Parents/Carers

School Photo's will be slightly different this year!

The school photographers will be visiting on **Friday, 9th October 2020**.

In past years, we have arranged individual **and** sibling group photos throughout the school day and pre-school/family group sessions. As we are not able to do this, there will be **individual photographs** only taken during the school day.

Children should arrive to school at the normal time, looking their very best in full school uniform.

During the school day, each child will visit the School Photographer and given a unique barcode, this is scanned when, they have their photo taken and then sent home with the child. Photographs can only be viewed/ordered using a unique barcode. If your child does not arrive home with a barcode, please contact the school office, but please check your child's book bag in the first instance.

To view and order your photos, click on the following link. This will take you directly to Kittle Photographic. <https://v6.kittleorders.com/kp/Home>

We do ask that when you place your on-line order, you select a **home delivery**. There is a small delivery charge, however, photo packs have been reduced to consider this.

We hope you enjoy your photos!

Yours sincerely
