Dear Parents/Carers,

Year 1 – ‘The Masked Singer Christmas’

This year we have been looking at creative ways to bring some Christmas cheer. This year Year One will be performing a Christmas play, virtually! There will be a virtual performance going live on **Wednesday 16th December**.

The performance will be filmed and will be shared on Vimeo, an online video platform that allows us to password protect the videos. We will share the link with you in advance along with the password. If you would like to take a look at how the videos will be shared in advance, we have shared a Christmas story video to show you an example. Please click on the following link:

We would love all of the children to be involved with the Christmas performance. If you are happy for your child to be included in the Christmas show video, please log into the school gateway and tick that you are giving consent. Alternatively, inform your child's class teacher **before 16th November**. If you would prefer your child to take part but not be included in the video, we will ensure they are involved in the dress rehearsals. Please note that we will also be supporting our local community by sharing the video with the Trembaths nursing home.

We are usually able to provide costumes for all children. However, if we do require any additional items, a request will be sent home.

We look celebrating with you (virtually),

Miss Natalie Benson
