Dear Parent/Carer

Parent Consultations March 2021

We are delighted to welcome all children back to school and looking forward to sharing the upcoming curricular activities we have planned for them.

During the month of March, we would normally invite you into school for the second Parent Consultation of the academic year. Unfortunately, we are still not able to meet, face to face.

Over the next few weeks, teachers will be making calls home to discuss with you, your child's progress. If you have not recently spoken to your child's class teacher, they will be in touch very soon.

Calls will last up to 10 minutes each. This short appointment will give you the opportunity to ask any questions you might have and to find out more about the kind of activities your child will be undertaking during the rest of the school year.

If in the meantime, you have any urgent concerns and would like to speak to either your child's class teacher or another member of staff, you are welcome to contact the school office.

Yours sincerely

Robert Staples
