Dear Parents/ Carers

Think Like A Scientist

Friday 11th June

On Friday 11th June, Fairlands will be hosting a Science day. All children are invited to come to school dressed as a scientist for the day. This could be as a fictional science character; a famous scientist from the past or present day; a person working in a science based profession.

Children will not be asked to bring in experiments this year and instead, they will attend a virtual Science trip and complete a variety of Science activities throughout the day.

Kind regards

The Science Team
