The key words we will need to be able to use,  
in both discussion and in our writing:

Word	Definition

Please help your child to complete the glossary and be able to use and spell the words. Feel free to add any additional topic related vocabulary that you think of.

**Over the next few weeks, your child will be working on  
the topic of 'Rocks and Soils'**

**They will be taking part in a series of exciting activities:**

- How both rocks and soils are formed
- Classifying rocks
- Experimenting and investigating with real rock and soil samples
- Fossils, their formation and what they can teach us skeletons and the human skeletal and muscle system

# **Your child needs your help and involvement!**

## **Please get involved by:**

- Take your child to the library & get books and resources about the topic
- Find out what they know about Rocks and Soils

### **Before the Topic...**
