

Bring It To Life!

Maths – place value, operational strategies and fractions

English – balanced arguments

Science – Inside of a flowering plant & life cycles

New Technologies – programming

PE – Athletics and cricket

RE – Justice and fairness

Art – Drawing techniques, bringing images to life, exploring famous artists

Year 5

Summer 2 2021

Glossary

The key words we will need to be able to use,
in both discussion and in our writing:

Word	Definition
anther	
carpel	
stigma	
ovary	
sepal	
stamen	
ovule	
filament	
germination	
style	

Please help your child to complete the glossary and be able to use and spell the words. Feel free to add any additional topic related vocabulary that you think of.

Over the next few weeks, your child will be working on the topic of 'Bring It to Life!'

In order to adhere to government COVID-19 guidelines, activities and events may have to be adapted at short notice. Please accept our apologies for this.

- **Develop their drawing techniques and create beautiful still life pictures.**
-
- **Look at texture and contrast and experiment with different art mediums.**
- **Explore the work of famous artists from the past right to the present.**

Your child needs your help and involvement!

Please get involved by:

- **Sharing your knowledge of art, drama and music**
- **Take your children to local galleries and the library to discover the works of different artists.**

What else is happening?

Religious Education

Most of our teaching of religious education takes place in separate 'mini-topics'. This half-term, your child will be learning about 'Fairness and Justice'

Values Education

The whole school value for June will be 'Politeness'

Homework

Please support your child by making sure that they read on a *daily* basis.

	Homework	Due in
