We hope to be taking part in a series of exciting activities, which include:

- Studying how intentions of playwrights affect the audience
- Creating scenery and props
- Taking part in celebratory events to recognise their time in primary school

**Your child needs your help and involvement.**

**Please get involved by:**

- Help your child to recap on spellings learnt throughout Year 6
- Complete the glossary of terms with them in this booklet
- Support your child with transition by visiting their allocated secondary school's website and talking through any questions they may have

### Values Education

Each month we will focus on a new value, which we will develop and encourage in all areas of school life. Please support your child and encourage them to show their values at home and let us know if they do so we can share and celebrate it at school. The whole school value for June will be **'Politeness'** and for July will be **'Freedom.'**
