Parent View

A key part of a school's Ofsted inspection are the views expressed by parents. Ofsted no longer sends out paper surveys and relies purely on views expressed through their Parent View Website.

It is, therefore, really important we make sure that ALL parents/carers' views are represented on this website, including the 'silent majority' who are happy, but tend not to speak up!

So, **PLEASE** could you take some time to visit www.parentview.ofsted.gov.uk and response to the questions on the Parent View Website.

You just have to register quickly using an email address, and then there are 12 questions to answer. It takes 5 minutes!

Please make sure that YOUR views are represented - you can go back at any time to update your responses, if your views change.

You can see the latest results for Fairlands Primary School by clicking the link on the school website.
