database	
reversible	
irreversible	
solution	
transparency	
conductivity	
dissolve	
solid	
liquid	
gas	
biomes	
vegetation	
chromatography	
filtering	
separate	
substance	
chemical	

Please help your child to complete the glossary and be able to use and spell the words. Feel free to add any additional topic related vocabulary that you think of.

Over the next few weeks, your child will be working on the topic of 'Home and Away'.

They will be taking part in a series of exciting activities including:

- Preparing different cultural foods linked to regions in Europe
- Discovering how to use 4 figure grid references on maps through orienteering
- Using maps, digital maps and globes to locate and explore regions in the U.K. and Europe to deliver presentations to the year group
- Discovering how mixtures can be separated through a variety of scientific experiments

Your child needs your help and involvement!

Please get involved by:

- Sharing your knowledge of food preparation and nutrition
- Take your children to the library to research information about the U.K. and Europe
- Sharing photographs or artefacts from any European countries you have visited
- Explore maps together, discussing the symbols used and what they represent

What else is happening?

Values Education & Jigsaw

The whole school values for September and October will be 'Responsibility' and 'Rights'. Our Jigsaw unit for the autumn term is 'Being me in my world.'

Homework

Every Friday, class homework is uploaded onto google classroom and posted on the year 5 school blog. It is expected that ALL children read a **minimum of 3 times** per week and this is recorded in their home reading records.
