Dear Parents/Carers,

Year 2 Christmas Celebration

We are excited to finally be able to perform in person to celebrate Christmas with a Year 2 Christmas carol celebration!

Parents and carers are invited to this event but due to hall capacity we will be limiting adult tickets to **two** per child only. There will be **three** performances on **Tuesday 14th December**.

Parents will be able to select from the following performance times on a first come first served basis:

Performance 1 - 10.00-11.00am

Performance 2 - 12.30-1.30pm

Performance 3 - 2.00-3.00pm

Please log on to www.fairlands.parenteveningsystem.co.uk from 10am on Thursday 25th November to select your tickets.

Please ensure that you only come to the performance that your allocated tickets are for and enter the hall via the **external hall door**.

Younger Siblings are welcome to accompany you to the performances. However, should they become distressed, we politely ask that you take them outside of the hall so the performance is not disturbed.

We encourage all parents attending performances to wear a face mask unless exempt.

We look forward to seeing you there.

Kind regards,

Emma Verlander
