Under Our Feet

Year 3 - Summer Term 2 2022

Glossary

These are some of the key words we will need to be able to use,
in both discussion and in our writing:

Word	Definition
Rock	
Soil	
Absorbent	
Permeable	
Texture	
Clay	
Granite	
Slate	
Marble	

Please help your child to complete the glossary and be able to use
and spell the words. Feel free to add any additional topic related
vocabulary that you think of.

Over the next few weeks, your child will be working on the topic
of 'Under Our Feet'

They will be taking part in a series of exciting
activities:

- How both rocks and soils are formed
- Classifying rocks
- Experimenting and investigating with real rock and soil samples
- Fossils, their formation and what they can teach us skeletons and the human skeletal and muscle system.

Your child needs your help and involvement!

Please get involved by:

- Take your child to the library & get books and resources about the topic
- Find out what they know about Rocks and Soils

- Investigate your local community and find different rocks

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Values and Jigsaw Education

The whole school values for June and July will be Kindness and Resilience.

Our Jigsaw theme will be 'Changing Me'

Homework

Please support your child by making sure that they read on a *daily* basis.

Homework

Will be given out Friday	Due in Wednesday
