

11th January 2023

Dear Parents/Carers,

Reading Workshop for Parents of Children in Years 4,5 and 6

Supporting your child with reading at home is very important, as much in KS2 as in the early years, and we would like to help you with this as much as possible at Fairlands.

In light of this, we will be running a workshop for parents of children in years 4-6, with a focus on supporting your child with reading at home, explaining the different ways in which you can continue to help your child to improve in reading fluency and comprehension.

We are hoping that this workshop will enable parents to have a greater understanding of how competency in reading impacts all areas of a child's learning and how you can make a big difference to this in a relatively short amount of regular time at home.

The session will run from 3.30pm until 4.00p.m in the upper hall on Thursday 26th January.

We look forward to seeing as many of you there as possible.

Thank you,

Miss Pollen
