11th January 2023

Dear Parents/Carers,

We will be reigniting the KS2 Games Library this term and would like to invite you to an opening event on Friday 20th January, where you will be able to come along and play some of the fantastic games we have on offer with your families and enjoy a drink and snack too! The event will be held at 3.15pm-4.00pm in the Upper Hall.

The main aim of the games library is to provide parents and carers with opportunities to support children's learning at home. If used regularly, we believe that not only will your child's literacy, numeracy and language skills improve, but also their social skills and self-esteem. Just as when you regularly share a book with your child, or listen to them read, by playing the games with them you will be giving them important messages about the value you put on their wellbeing, education and learning.

Following this event, the games library will be open every Friday in the upper hall from 3.15pm-4.00pm for families to come and borrow and return games to play at home.

Hope to see you all there on the 20th Jan!

Thank you,

Miss Pollen and Mrs Toll
