

21st September 2023

**Stevenage Museum – Toy Workshop
Wednesday 15th November 2023**

Dear Parents / Carers,

On **Wednesday 15th November 2023**, we will be inviting Stevenage Museum into Reception to deliver a Toy Workshop.

In the second part of the Autumn term, we are starting a brand new topic called 'Toys'. In this topic, the children will discuss their favourite toys and use them for storytelling, learn how toys are made and even get the chance to make their own toy as well as learning about toys from the past.

The Early Years Curriculum includes learning how to:

- Know some similarities and differences between things in the past and now.

This is a fantastic opportunity for children to learn about the past and present in a fun and interactive way.

The children will be taking it in turns to visit the hall to immerse themselves in this wonderful experience where children can explore, learn and play with different toys from the past.

The cost of the visit is £3 per child and this can be paid via the Arbor app, activities>trips>toy workshop.

Kind regards

Miss R Free
Senior teacher in Reception
